My one request: never go to the Meadows again.

@realcrozetva

Crozet library is better than the meadows: - wifi - better sound - hard ending to meeting - library is walkable/bikeable [#CCACo416](#)

Last-minute suggestion from a member to move longer meetings to the Meadows. This is such a bad idea although I get the reasoning. [#CCACo416](#)

Jennie - 126 units coming to West Glen by right. Why aren't they held to same standards b/c of by right? [#CCACo416](#)

@realcrozetva

Jennie - they're doing a very dense development in the middle of an established community.

@realcrozetva

Jennie - there is one owner of West Glen who needs a SUP; that's the Piedmont Housing Alliance [#CCACo416](#)

Probably going to resubmit Foothills in the next 30 days. [#CCACo416](#)

Next phase of Foothills is R6; we see this as transitional. [#CCACo416](#)

Valerie - re: concerns about rezoning Foothills to R6, we need to better explain rezoning. There is R1 & R6, but not in b/t [#CCACo416](#)

Awesome librarian giving 15 minute warning. Best part of meeting at Crozet Library, (besides wifi) is the hard cap on the meeting. #CCACo416

I'll bet money that there won't be any more affordable units in downtown Crozet. #CCACo416

Tom Loach- There are going to be 3 developments in Downtown Crozet w/ ~400 units that will be more affordable, 1 apt w/ 126 units #CCACo416

Me: These people don't understand how much it costs to build and develop real estate in Albemarle County. Not. At. All. #CCACo416
