CCAC Meeting 20 January 2016

So much was discussed tonight. Restore N Station is looking to expand, neighbors & community aren't happy. Adelaide neighborhood - similar response as that to Restore N Station. Downtown Crozet - not bad.

I know I say this all the time, but I wish people came for more than NIMBY stuff. Involvement is good. Better when more. [#CCAC0116](#)

People at meeting want to stay late at [#CCAC0116](#) meeting to discussing this development. 1 advantage of not being in library
