

Crozet CMP Questionnaire

1. Intro - Welcome

Dear Fellow Crozet Citizens,

Your neighbors on the Crozet Community Advisory Council, in collaboration with Albemarle County staff, are starting the process of revising the 2004 Crozet Master Plan. Your input and participation are essential. The Crozet Master Plan is part of the County's Comprehensive Plan and establishes a blueprint for the County's future decisions on land use and development, transportation systems, public facilities and utilities, resource protection, housing, human services and public services. Part of that plan's original 2004 adoption includes a requirement to review the Plan after five years.

This questionnaire has been created to gather public input about Crozet and the Crozet Master Plan. It is not intended to be a scientific or statistically valid survey, but rather as a way to get feedback from as many people as possible. The results of this questionnaire cannot be used to draw any specific conclusions or assumptions about the general community's perspective, but will be used in providing ideas and understanding the perspectives of those who complete the questionnaire.

This survey is one of several opportunities for your active participation in the decisions affecting our community in the next five years or so. This is an opportunity for all of us to take a careful look at Crozet's development and consider new actions and solutions to problems that may emerge.

We urge you and anyone else in your household to each fill out and return the following survey so that your ideas and concerns will be heard. We hope everyone in your family will complete a survey.

It should only take you about 10 to 12 minutes to complete this survey. There are no right or wrong answers; what's important is your opinion. All of your responses are anonymous and will be kept confidential.

Thank you in advance for your time and thoughtful input.

Note: Please contact Tim F.J. Tolson, Ph.D. <tfjtolson@gmail.com> of the CCAC if you have any questions regarding the questionnaire itself.

Note 2: If you have the paper version of this questionnaire, please return it to the Crozet Library at 5791 Three Notched Road, Crozet, VA during its normal open hours or you can mail it to:
CCAC
C/O The Crozet Library,
P.O. Box 430
Crozet, VA 22932-0430

Please return your completed questionnaire by June 30, 2009. Thank you.

6. Crozet Development-I

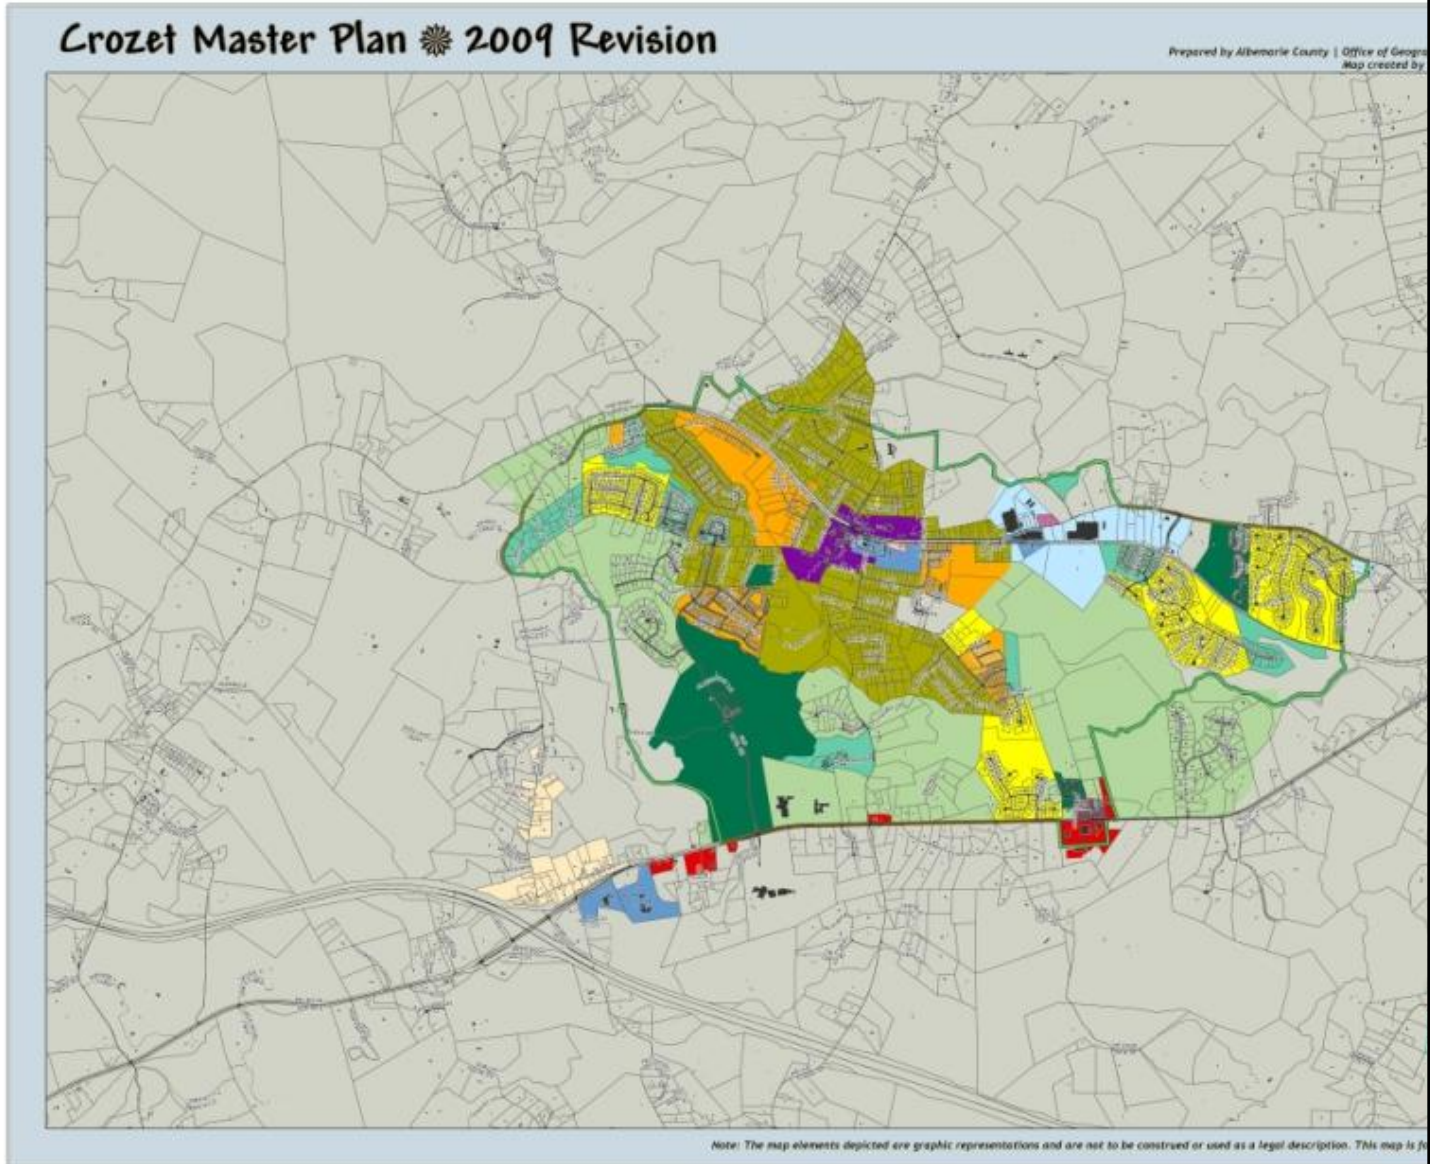

Below are some of the topics, issues, and concerns from the Crozet Master Plan and its implementation. Please select the choice that best matches your opinion on each item.

7. There are many aspects to Crozet's Master Plan that relate to commercial (business) and residential (home) development and where these things can occur in the Crozet area and at what intensity and density. Please give us your opinion on these five topics related to development below. You may use any ranking as many times as you want to express your opinion. Remember that your responses are anonymous and will be reported in group form only. (Please see the map below for the current Crozet Designated Growth area boundaries and zoning.)

	Strongly favor	Somewhat favor	Somewhat oppose	Strongly oppose	Don't Know/No Opinion
A. Do you favor or oppose the approval of re-zonings (which increases the number of homes) where existing infrastructure (such as roads and schools) is insufficient to support the additional density?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
B. Do you favor or oppose having the current development area boundaries expanded, thereby creating more and new areas in the Crozet region available for residential and/or commercial development? (See the map below for the current Crozet development area boundaries.)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
C. Do you favor or oppose the proposal that residential density in the growth area be highest in downtown, and other smaller commercial centers such as Old Trail Village or the Music Today complex; and decline as development approaches the Growth Area boundary?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
D. Do you favor or oppose the main principal of the 2004 Crozet Master Plan that the historic downtown area be the first priority for development and that commercial and residential development along Rt. 250 should be strongly discouraged?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
E. Do you favor or oppose commercial or industrial development in the vicinity of Rte. 250 and I-64 interchange?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

18. CMP-I

Several years ago, as Albemarle County began to plan how Crozet's designation as a 'growth area' would be guided by a 'Master Plan for Crozet', many citizens came to community meetings to learn about and provide input into how Crozet was to grow. In these meetings, citizens gave feedback to the County about many issues related to what it would mean to have a larger and more dense Crozet community.

As we now begin to review this plan, the Crozet Community Advisory Council in partnership with Albemarle County staff will again be seeking comment and involvement from the community over the next six to nine months to decide which parts of the current plan need updating and changing. Please answer the following questions to help guide us in this undertaking.

24. In what ways would you like to actively engage in the Master Plan revision?

Please check all that apply.
