Dear Resident,

Thank you for your comments, input and participation in connection with the Public Hearing for the Rte. 250 Little Ivy Creek bridge replacement project held on January 10, 2017.

As a result of public feedback from the hearing, Alternative A will be utilized for the construction on this project which includes closing Rte. 250 for two weeks during the summer of 2018.

Acquisition of right of way and easements is scheduled to begin in the spring of 2017.

If you have any questions or concerns, please feel free to contact me at (540) 829-7436.

Project information can also be found on VDOT's website at
