Agree with you. Good discussion, but sound and fury signifying nothing.

What happens at these local government meetings has more effect on your everyday life than what happens with tonight's debate. twitter.com/realcrozetva/s...

If this is a "community" or "public" meeting, why would the CCAC make motion or resolution? [#CCAC1016](#)

Q: You want us to say yes? Discussion. Q: do you want a motion? (me: why would the CCAC do anything other than listen?) #CCAC1016
