Halloween in Crozet - 2014 Edition

I get this question every year: What day is trick or treating in Crozet? I will add this question: which are your favorite neighborhoods for trick-or-treating?

I'm glad you posted this topic! Western Ridge LOVES having kids come trick or treating from out of the neighborhood. What we love even more if is folks would park in the clubhouse parking lot and not follow their kids around in a car. The streets are narrow, and there are tons of kids out and about (as you can imagine). The clubhouse (for those that don't know) is about half way up Lake Tree Lane on your left. It has a nice size parking lot! Be safe!

Parkside Village! Sidewalks and friendly neighbors. Awesome decorations (not too scary)! 10/31 is the date of course. The action usually starts at 6 pm.

Glad to know Western Ridge welcomes visitors! We live out on a farm where our nearest neighbors are 1/2 mile away, so I like to bring my boys into town to give them the suburban experience I remember as a kid.

Waylands Grant. Visitors welcome to come park and walk with their kids. Just be mindful not to knock on doors with no porch light on. 6 p.m.

The new housing developments are not the only places to go trick or treating. The neighbors in the older homes that built this town still like to see the kids too.

Grayrock is always full of kids! Plus, there is a scary haunted house for those who look forward to a little fright! It is awesome!

White hall loves kids too. My grandma decorates everything and loves seeing the kids! No visitors on break heart road since crozet has grown...
