Looking at the online submissions, it's clear the #1 request by a longshot is sidewalks. #ccac

45 minutes of idea sharing and brainstorming. Now each group is lifting their top three requests for Crozet [#ccac](#) [#ccac0317](#)

I have now ended up in the front! First idea is a community center. Second is a similar idea, a center for youth 10-18 to gather. pic.twitter.com/g2mX9liTUH

So far Community Center and a place for 10-18 year olds are proving popular. Even a pump track! Sidewalks were heard everywhere [#ccac0317](#)

A statue of Claudius Crozet... Interesting idea. This ends round 1(top requests) #ccac #ccac0317

My opinion: a statue is profoundly low on the list of needs for Crozet.

Round 2: improve Crozet's small town feel(seasonal decs & flowers), skate park, add handicap access ramp to Library Playground #ccac0317

Better ped crossings at Crozet Ave & Railroad, underground or at grade crossings one other place along the tracks. And we're done. #ccac0317

Last thought from the CCAC meeting: might have been 6 purple younger than me. Avg age probably in the 50s. That needs to change #CCAC0317
