I put these suggestions into a list that will be at the Crozet Library. Our volunteer program is mainly for teens 13-18 and fills up quickly (accepting applications now for teen summer volunteers now!). So I like to keep a list of other options to guide teens toward. Thank you!

Relay For Life of Charlottesville/Albemarle is coming up on May 16th. WAHS and Henley have both had teams in the past and there is a lot of support from Crozet area students. Families, businesses, groups of friends/families can also make teams :)
