April 2018

Dear Crozet Community and Beyond –

After our first ever Crozet Volunteer Fire Department Golf Classic, an event that exceeded our expectations, we are back to bring you another exciting day of community fun at the base of the beautiful Blue Ridge Mountains. Last year, with your help, we were able to raise \$29,028 and contribute \$20,407 towards a 2018 Polaris Ranger 900XP to better serve our community.

On Thursday, September 20, 2018, we will be hosting the second annual **Crozet Volunteer Fire Department Golf Classic** at the Old Trail Golf Club in Crozet, Virginia. To ensure the tournament goes off without missing a stroke, it is vital that we have the support of those we protect day in and day out. With that said, we are actively planning 2018's tournament and are looking to grow and further increase our community footprint with help from sponsors like you.

### **2018's Event – Teeing-Off for Round Two**

Using the proceeds from this year's tournament, the Department hopes to accomplish three specific goals.

- Our first goal is to complete and upgrade Crozet's newest workhorse, Engine 56, a 2017 Pierce fire engine, which was put into service in November 2017. As a twenty-year investment in this community, these final touches on this new engine will assure its value in protecting our community for many years to come.
- Our second goal is to establish a scholarship fund, managed by the Department with the help of area guidance counselors and administrators, to be awarded annually to a graduating high school senior from our community with an appetite for public safety.
- Our third goal is to secure funding to fully restore the Department's original 1937 fire engine, which was delivered by railcar during the Great Depression. This engine has been valiantly serving our community for over 80 years, has been battle-tested and is now in need of your help.

## **Sponsorship Opportunities – We Need Your Help**

The Crozet Volunteer Fire Department has been 100% volunteer since 1910 – that is over 108 years! This past year, the Department responded to over 800 calls for service, and we could not have done that without the help of our community and businesses like yours. Albemarle County does provide some financial support for the department, but it does not cover the overall cost of our operation. In order to provide the level of service our community has come to expect and deserves, your support is critical.

We are contacting your business right now to secure a sponsorship role in this year's event. With one year under our belts, this high-exposure, community-focused event is sure to draw even larger crowds in 2018.

Please find the attached **Sponsorship Opportunities** page that highlights each available sponsorship level. If you are unable to sponsor at our *Title, Platinum, Gold, or Silver* sponsorship levels, we ask that you please consider one of the *Hospitality Opportunities* listed. As always, a donation in any amount is helpful and appreciated. Please note that all donations to the Crozet Volunteer Fire Department are fully tax-deductible!

Thank you for your consideration in supporting our event and helping to keep our community safe.

If you have any questions about the event, please feel free consult our website, <http://crozetfire.org/>, email us at [cvfdgolftournament@gmail.com](mailto:cvfdgolftournament@gmail.com), or reach out to one of our many volunteers in the area.

Respectfully yours,

Michael Boyle, Chief  
Crozet Volunteer Fire Department

# JOIN US!
