RE: SP2020-16 Claudius Crozet Park Community Meeting

Dear Neighbor,

We, Collins Engineering, invite you to share comments and ask questions regarding our Special Use Permit application for Claudius Crozet Park (Tax Map Parcels 056A2-01-00-07200 & 056A2-01-00-072A0). This is an application to expand the existing pool and fitness area within the park. Crozet Park is proposing to construct a 34,000 SF community recreation facility, including a community meeting room, along with some park improvements and parking lot expansion for the facility. Phase II of the project includes an indoor pool facility. The proposed project is located at the Claudius Crozet Park off Park Road.

To help prevent the transmission of COVID-19, we invite you to ask questions and share comments about the proposed project, County review procedures, and relevant regulations and policies of the County applicable to the proposed project at a virtual community meeting. The virtual meeting will be held through an online video stream on **Wednesday, October 14, 2020 at 7:00 pm**. The meeting will be held virtually through a Zoom webinar. Representatives of the applicant and a member of the county staff will be available at the meeting to answer questions about the proposed project and the review process.

There are several ways that you can learn more about this project, share your comments or ask questions about this proposal:
